Monroe County, Fla. – The Florida Department of Health in Monroe County (DOH-Monroe) is pleased to announce the appointment of Taweh Beysolow, MD, as the new Medical Director.

Dr. Beysolow joined DOH-Monroe in November 2024. He will be responsible for medical oversight of all DOH-Monroe locations with direct client care one day per week, working closely with the DOH-Monroe APRN providers and registered nurses.

“We are very excited to have Dr. Beysolow join our team,” said **Dr. Carla Fry, PhD, MSN, RN.** “He has a wealth of experience. He is double board certified in internal medicine and nephrology, and as a local provider, he is well known to the community.”

Dr. Beysolow graduated from Dartmouth Medical School, then completed an internal medicine internship at the University of Massachusetts in Worcester, MA. Following the internship, he completed his residency in internal medicine at both the University of Massachusetts and Harlem Hospital Center in New York, NY. Dr. Beysolow then remained at Harlem Hospital for the next three years to pursue a fellowship in nephrology.

He is currently a member of the American Society of Nephrology, the National Kidney Foundation, the International Society of Nephrology, the American College of Physicians, and the Florida Medical Association.
