## AWARENESS DAY 2026

Be prepared to help save a life.

Naloxone (Narcan) is a safe and easy to use medication that can temporarily reverse the effects of an opioid overdose. Having Narcan available could help save someone's life during an emergency.

**Residents may visit any location for a free Narcan kit, while supplies last.  
No registration is required. No questions asked.**

## FREE NARCAN DISTRIBUTION

**Friday, June 5, 2026**

**11 a.m. - 2 p.m.**

**ALL EVENTS ARE FREE**

- Free Narcan kits
- Overdose prevention education
- Quick and convenient pick-up
